

CASA DE ESPERANZA MINISTRIES

Water Filtration Systems Project

The number one cause of death globally is lack of access to clean water.

During our upcoming trip, Casa de Esperanza is partnering with Goodjustice to provide water filtration systems to homes in remote villages in Honduras. Your donation of **\$50** today will provide 1 water filtration system that will change the life of a Honduran family!

QUICK FACTS

20-30

Honduran volunteers assisting with installation.

87%

drop in reported cases of diarrhea after 2 weeks of filter use.

80%

drop in cases of vomiting after 2 weeks of filter use.

2 DAYS

The average household sees 2 more days of income added due to not missing work, lower medical expenses and not having to purchase water.

\$50

The cost of providing a water filtration system to a family in need.

10-12 YEARS

The systems are simple and can last up to 10-12 years with proper care and maintenance.
